WELL, THAT WAS FAST! SUMMER IS GONE, AND STORAGE SEASON IS HERE!

Do you know what else is Fast? Rodent Damage, Dust, and Dirt, Infesting and Deteriorating Your Vehicle. Every year thousands of dollars are spent repairing and replacing expensive wiring, paint finishes, and components.

Instead, You Can Save Thousands by Preserving, Protecting, and Presenting
with Premium Storage Options by CarCapsule USA.

THE SC1 IS THE LATEST IN A LINE OF PREMIUM STORAGE PRODUCTS BY CARCAPSULE USA.

- No Tools Needed Inflates in Minutes
- Road Emblazoned Chemical Resistant Base

Having come across hundreds of Barn Finds throughout my lifetime, it never ceases to amaze me the amount of damage rats wreak on stored cars. They attack the wiring and interiors and don't get me started on the nasty droppings, making for a lot of additional work and often avoidable cleaning and repairs. The folks at CarCapsule have a storage system that not only keeps your car intact it also prevents rodent infestation. That alone is worth the investment in a Premium Storage Product by CarCapsule USA.

FROM BILL MILLER, JR.:

Wow! 50 years - where did the time go? When Chip Miller and I, ironically not related despite sharing the same last name, conceived the idea about Carlisle Events, it was to be a place to enjoy cars that had not yet reached antique status, which used to be 35 years old. When you are in your 20s, a 20-year-old car seems like an antique! Today the bar is lowered, as an antique car only needs to be 25 years old.

Having the smell of gas and oil on our hands at a young age, we were living and breathing cars and trucks. We did not know Carlisle was the "Keystone" of the Keystone State when we leased the Fairgrounds in 1974 but soon learned that several major highways of the northeast intersect here, making access a breeze.

Soon our passion grew, and the once-a-year show turned into two shows, Spring and Fall. As those shows sold out, spinoff events were held. Within a few years of our wives, Peggy and Judy, handling all the office work, we hired our first employee, Roberta Love, and she is still a dear friend to us. In 1981 we had a chance to purchase the fairgrounds and from there on it was destined to be the "Old Car Capital" of America. Improvements were made to enhance the facility and more shows were added over the years.

Sadly, in 2004 we lost Chip to Amyloidosis, but his son Lance stepped into his shoes as my partner to continue his dad's passion.

BILL MILLER, JR. AND LANCE MILLER, OWNERS

CHIP MILLER

THE LADIES BEHIND THE OPERATION IN 1975: PEGGY MILLER, JUDY MILLER, AND BERT LOVE

My son, Bill III, was always a car guy too and is very involved with our car auctions. Bill III and Tony Cline now bring four annual auctions to life.

Thanks to all of you, from all over the globe, that have attended over the past 50 years. We hope the memories you continue to make will carry through many more generations.

Last, but certainly not least, a special thank you to my wonderful wife, Peggy, for the support and love she has provided all those years, as we made our passion a reality.

FROM LANCE MILLER:

I've enjoyed growing up within the Carlisle Events family. Watching the events grow through the years has been a humbling experience. The team was always the best in the business. When I was growing up my father would have my family and I work each of the events if we

didn't have sports, etc. This was special for us as we knew how much it meant to him. It was always fun learning the facets of the business - mowing the grass, weed whacking, driving the tram, working at the gate, trash duty, putting out vendor markers, marketing, event management, and

much more. These various jobs helped form the person I am today and I'm grateful for the lessons I've learned. My father and Bill always wanted to make sure each event was just right for the vendors and attendees that. My father, Chip, and Bill had no magical ingredients but they certainly followed their passion and made each event the best it could be with the help of the best team in the business. I'm lucky to be a part of this amazing team and I'm very grateful. My father is smiling down proud when each event is hosted here at the Carlisle Fairgrounds. I know the highlight of his life was enjoying the many familiar faces that would attend the events throughout the years. Being the 50th season, rest assured that smile will be from ear to ear. Special thanks to the many supporters through the years, without you we wouldn't be here. Thank you and cheers to another 50!

2023 HIGHLIGHTS

THE FEATURED VEHICLE DISPLAY AT THE CHRYSLER NATIONALS

DRIFTING AT IMPORT & PERFORMANCE NATIONALS

2023 CORVETTE AMERICAN FLAG

Fall Carlisle has been the final event on our PA-based schedule for 50 years. Now, with a successful season behind us and the event that started it all, now seems like a great time to look back at another record-setting car show season. Three events saw new Showfield records in 2023, including the Import & Performance Nationals (2,097), Carlisle Chrysler Nationals (3,156), and Carlisle Truck Nationals (2,870). In addition, the Carlisle Ford Nationals tallied its second-best ever offering (3,434), while the Carlisle GM Nationals saw growth over last year's event. Corvettes at Carlisle, the first specialty car show that Bill and Chip launched in 1982, hosted over 5,000 Corvettes, with more than half (3,080) registered for the show.

The best part about these kinds of turn-outs are that even as newer vehicles and their equally newer technologies come along, the car show community (show car owners and vendors too) have evolved. Yes, there are still MANY classic and collector cars/trucks on display, but along with them are current and

THE TRUCK NATIONALS BIG RIG SHOWFIELD

future collector cars. Everything is trending upwards; this includes vendor interest, Showfield turnout, and event spectators - meaning those who buy a ticket to walk in and walk around. Even our auction arm, Carlisle Auctions, continues to produce top-dollar sales. In fact, a 1953 Corvette, its first year of production, fetched \$324,000.

A Carlisle Events event (or car show) is more than just cars and trucks on display. There is a huge automotive flea market, activities for kids, and non-automotive shopping options. Shoppers and vendors alike had a great 2023, having a chance to both do business and reconnect from a social standpoint for the first time since last year.

The success of the year continues, with not only the auction this week, but with another in Lakeland, Florida in November. For the Fall Carlisle auction, be sure to visit the Carlisle Expo Center.

Following an amazing year, plans are underway for a season-long 50-Year Celebration of Carlisle Events. The fun begins again in January of 2024!

COOL DOWN & NURSING ROOMS

For a break from the heat or for nursing privacy, visit the Cool Down Room in Building T. It's located between the restrooms. It's a private place to take a break in an air conditioned space and offers a charging station as well.

DISCOUNTS

Spectator tickets are available for purchase at a discount online and registration to show a vehicle is also discounted by 10% up to 45 days prior to most events. Our spectator admission plus parking is a convenient way to plan your attendance (and must be purchased online).

IN MEMORIAM WEB PAGE

Carlisle Events is a family owned business and we consider our automotive flea market vendors, midway vendors, showfield participants, spectators and friends of the hobby our family, as well. Sadly, we have lost many of these friends over the years, and want to remember them on a page on our website as a way to pay tribute to their spirit and contributions within the hobby. If you have a loved one whom you would like added to that page, please submit your addition for consideration online at carlisleevents.com/events/in-memorial.

DEDICATED BENCH PROGRAM

Our dedicated bench program offers a wonderful opportunity for a statement of appreciation. Your bench plaque message can remember that special someone, pay tribute to a family member or friend, recognize your club, leave a message, or you can give a gift that will last for years. There are currently more than 50 benches on the facility. Plaques are made of aluminum and measure 12 inches wide by four inches tall. For more information, cost, placement and ordering, please contact Tami at 717-243-7855 x189, tamid@carlisleevents.com, or visit the Vendor Services office (in the Registration Building outside of Gate 3) during the event.

PROPERTY DEVELOPMENT

Upon your arrival you may have noticed the property development along Carlisle Springs Road. Homewood Suites is open for business, there is a skate park, residents are living in the townhouses and the first apartment building is nearing completion. We're happy that the Northside Village is taking shape!

DONATIONS FOR DISASTER RELIEF

Local Lions Clubs are posted at our entrance gates (varies by event) to collect donations for their Lions International Disaster Relief program. Please consider donating if you are able. Last year your generosity translated to a \$10,000 donation to the Carlisle branch of the Salvation Army. Learn more about the Lions program or donate online at LionsClubs.org.

ADDITIONAL EVENTS

Schedules of events and rental information for the Carlisle Fairgrounds and the Carlisle Expo Center can be found online at carlislepafairgrounds.com and carlisleexpoctr.com.
