Non-judged trucks may park with their club in designated areas (signs are placed at club boundaries) or in a non-club area anywhere on the Green Showfield. The **Low Show** is a designated area for anyone with a lowered truck.

We've challenged clubs to see who has the most vehicles registered in the Hemmings Club Challenge. The top five receive awards.

### Red Showfield

Trucks registered for the judged competition park by class in the Red Showfield. Judging standards are on page 29.

## BIG RIG SHOW AND SHINE

Visit the Big Rig Area to see displays from Motor Truck Equipment Company (comprised of Kenworth of PA, Motor Truck PacLease, and Motor Truck Thermo King).

### Commercial Carrier Careers

Careers in the transportation industry offer training, significant incomes, bonuses and more. See who's looking for help in the Big Rig area of the event, south of Building T. Visit New Enterprise Stone & Lime Co., Inc,

FIT Transportation, Pennsy Supply, and Dart Transportation.

### Glow Show

When the sun goes down Saturday night the Big Rig area lights up! You don't see this many impressive light displays on the roadways.

### Big Rig Showfield

All shapes and sizes of big rigs can be found in the Blue Showfield and judging is optional. Awards are given in 15 classes with additional special recognitions.

We are awarding one Big Rig fleet the Coolest Convoy award. The judging criteria is simple; we pick the fleet that seems to be having the best time. The winning fleet will receive a Coolest Convoy banner. The Fleet Challenge is based on number of trucks registered. The fleet with the most registered Big Rigs will receive a congratulatory Fleet Challenge banner.

## SHOWFIELD WINNERS LIST & AWARDS

On Friday, our staff will check out all the showfields and choose ten trucks to receive Carlisle Elite awards. Awards are presented as trucks are chosen.

## 10 YEARS OF SYTYS - BUILDING Y

Sportmachines is celebrating 10 years of Sytys@Carlisle! Back in 2014, Tom Mandrov, owner of Sportmachines, had a vision of using the Carlisle Truck Nationals as the gathering spot for GMC Sycloons, Typhoons and Sonoma GTs. These trucks were only built from 1991-1993 and as numbers depleted, they needed a place to shine. His vision has now become the largest annual gathering of these in the world. Tom states "I do this for the love of the trucks and this tightknit community of owners and enthusiasts. Every year someone walks through Building Y, stops and smiles not expecting the see a blast from the past. From remembering their neighbor having one in the driveway, seeing one at a show once, to a poster on their bedroom wall, these trucks are an iconic 90's memory." Stop by Building Y to celebrate this great milestone for an ever-growing community of 90s truck enthusiasts!

## OLD FIRE FARTS

The Old Fire Farts hail from York County, PA and are dedicated to the preservation of the fire service. They collect and preserve historical information, equipment and memorabilia. They raise funds to support local museums and scholarships for emergency response personnel. For information on their Fire Apparatus Muster event in York, PA this fall or their organization, visit: [www.facebook.com/groups/oldfirefarts](http://www.facebook.com/groups/oldfirefarts)

## AMERICAN TRUCK HISTORICAL SOCIETY

The not-for-profit American Truck Historical Society was formed in 1971 to preserve the history of trucks, the trucking industry, and its pioneers. The American Trucking Association officially recognizes the ATHS as the "duly authorized organization founded to record and develop trucking industry historical data." We are pleased to welcome members of the ATHS and their trucks are displayed near the Pavilion.
