Celebrating 50 Years of Carlisle Events at Fall Carlisle 2024

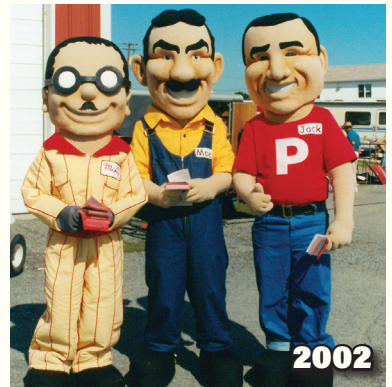

"Maybe we should start a car show" were the magic words spoken between Bill Miller and Chip Miller that led to renting the Carlisle Fairgrounds and holding Post War '74 where 600 vendors set up in 800 spaces and 13,000 people came Thursday through Sunday, September 26-29, 1974. Those dates were strategically chosen so vendors could easily attend the nearby AACA Hershey Regional Fall Meet the following week. Thirty-one of those original vendors have attended every year since 1974.

About Fall Carlisle

- In 1974 Golden Concessions operated the concession stands and ran out of food by noon the first day so volunteer shoppers stocked up from local grocery stores.
- The chicken barbecue was a very popular food feature for several years.
- Despite tremendous amounts of rain the next three years (1975-1977), the event continued to grow.
- A car auction was part of the event, sometimes held as a stand-alone activity. In 2006, Carlisle Events debuted its own collector car auction company under the name Carlisle Auctions.
- Greg and Joyce Winfield were vending at Fall Carlisle in 1989 and on the evening of the first day their second child was born, a boy they called Carroll Gregory Carlisle Winfield, "Little Carlisle."
- The United States Postal Service officially introduced the second series of The '50s Fins & Chrome 42-cent First Class stamp during a ceremony on the stage in 2008.

THE FORD NATIONALS NPD SHOWFIELD

CORVETTES AT CARLISLE CHALLENGE CAR REUNION

HIGH IMPACT PAINT DISPLAY AT THE CHRYSLER NATIONALS

Not only did we spend the season with you celebrating our 50th Anniversary, we set some new Showfield records along the way. The Carlisle Import & Performance Nationals had 2,195 vehicles registered, the Carlisle Truck Nationals beat its own record for the fourth year in a row with a total of 2,880 trucks, and the Carlisle Ford Nationals now stands as our largest car-specific event ever held with 3,572 vehicles.

For the events that weren't record breakers, numbers were still strong. The Carlisle GM Nationals saw its largest turnout since 2014, and while Chrysler and Corvette weekends both topped the 3,000-car mark, they each fell a little short of their record totals. In total, more than 15,000 vehicles were shown at the events this year.

The backbone of every event is our automotive flea market, including the car corral, and our very valuable vendors. Spring Carlisle filled 7,288 spaces with a total of flea market and car corral vendors of 2,377! That's a lot of shopping! Fall Carlisle fills over 5,500 spaces with nearly

"RATTY KOOL" DISPLAY AT THE IMPORT & PERFORMANCE NATIONALS

2,000 vendors. Our largest car-specific event flea market is the Chrysler Nationals with 3,129 spaces sold to 936 vendors. The Ford Nationals is just behind that with 2,606 spaces filled with 911 vendors. Our third largest car-specific flea market is the Corvette show with 770 vendors in 2,103 spaces. Even at our smallest flea market (Import & Performance) there are almost 150 vendors.

It's been such a rewarding and special year because you only celebrate your 50th Anniversary once. You've all been part of one big car party and we can't wait to do it again in 2025. Things ramp up in Carlisle starting in April and before you know it, we're back together again at Fall Carlisle. Keep an eye on our social media pages and online at CarlisleEvents.com. To see photos from our events, go to www.flickr.com, type Carlisle Events in the search bar and select "search people." Click on Albums to view photos by event and year. It is FREE to view and download these photos. Again, thank you for being part of the Carlisle Events Family!
