2025 COLLECTABLE DIECAST

Our M2 die-cast this year commemorates the AAR 'Cuda & Challenger T/A Reunion taking place in and around Building Y. One of the cars being featured in the building belongs to noted T/A collector and restorer, Mike Hamilton. Mike's Go Mango T/A that will be on display in the building was the inspiration for this year's die-cast. It's hard to beat that EK2 orange paint with the white top and interior contrasted by the black hood and stripes!

MOPAR SURVIVORS

TENT ON ROWS IB/IC

More than 20 years ago, an enthusiast named Mel Major created the iconic Mopar Survivors Display at the Carlisle Chrysler Nationals. Sadly, we lost Mel a few years ago, but his legacy AND the display live on by way of his sons Gregg and Ken. Celebrate Mel and a variety of amazing rides that have stood the test of time! Pictured are vehicles new to the display and listed are returning participants. These vehicles are original, or very close to it; making it a very unique part of this weekend's event!
