## CHIP MILLER MEMORIAL SCHOLARSHIP

Accelerating the Automotive Future

### Who's Chip Miller?

Elliott "Chip" Miller co-founded Carlisle Events and spent his life building some of the world's greatest car shows. His passion was second to none and continues to inspire enthusiasts, both young and old alike. In 2004, when the little-known disease called Amyloidosis claimed his life, the automotive hobby lost an incredible person.

Chip's legacy continues through the Chip Miller Amyloidosis Foundation (CMAF) which was created by his family and friends. Its mission is to empower people with the knowledge and understanding of Amyloidosis for earlier detection, ensure a better quality of life for those afflicted with the disease, and help science find the cure. All donations are appreciated and can be made at [ChipMiller.org](https://ChipMiller.org).

### Accelerating the Automotive Future

The Chip Miller Memorial Scholarship was established as a way to honor Chip's contributions and commitment to the automotive industry and hobby. In 2025, the inaugural year of the scholarship, \$9,000 was awarded to nine students.

Fernando M. - Prospect Heights, IL

"This scholarship would go a long way in ensuring I receive the much-needed skills and knowledge associated with being an auto-certified mechanic."

Megan W. - Ferndale, MI

"The purpose for furthering my education is to close the experience gap with older coworkers by learning the most cutting-edge technology regarding a more circular engineering life cycle."

Jaydon S. - Diboll, TX

"I would love to be able to further my education and fulfill my dream of owning my own auto shop."

### Apply for a Scholarship

The Chip Miller Memorial Scholarship is open to any high school, undergraduate, graduate, or trade school student pursuing a career in the automotive field. Apply online at [ChipMiller.org](https://ChipMiller.org) in December.

### Donate to the Scholarship

Donors make the scholarship possible. Please help us reach our goal of awarding 20 \$1,000 scholarships for 2026. Scan the QR code to donate online.
