## Scavenger Hunt

Walk around the entire Showfield and look for checkpoints that represent each vehicle's country of origin. Then, ask the passport ambassador to add their stamp to this page. For fun, see how many vehicles you can identify along the way.

## Free Souvenir

Take your completed passport to Guest Services to get the final stamp (the event logo) and pick up this year's free souvenir. Kids 12 and under will get a different souvenir while supplies last.

**Thank you** for coming to the Carlisle Import & Performance Nationals and celebrating the 50th anniversary of Carlisle Events with us! YOU have made this special milestone possible and we are truly grateful. Please complete our survey online after the event. Just go to the Import & Performance page on our website for the link.

## 50th Anniversary

We are excited to invite you to see our company timeline in Building T and the new Memorabilia Display in the Cool Down Room. Visit the Carlisle Store for your 50th Anniversary souvenirs, then ask at Guest Services about the poster featuring a special painting by automotive artist David Snyder, \$20 each.

## Featured Vehicle Displays

Visit Buildings T, Y and the Pavilion to see vehicle displays featuring 50 years of the Rabbit, Golf, Caddy and Cabriolet/Cabrio, a variety of vehicles from around the world, the Freak Show, Ratty-Kool and race cars.

## Featured Guest

**STEVE SAXTY** worked as a designer for Ford in the UK and later in various roles for BMW, Jaguar, Rolls Royce, Nissan, Volkswagen, and more. He eventually turned his focus to writing. Steve will give a presentation at the BMW-CCA club tent each day of the show at 2 PM. His books will also be available for purchase.

Outside of that, he will be available for autographs as well as meet & greet opportunities or just to talk cars. Three of Steve's books focus on BMW, however, Steve will be more than happy to speak to anyone about any of his automotive experiences.

## Midway, Flea Market & Car Corral

The locations of vendors and Manufacturers Midway partners are listed on the other side of this map. The Car Corral is for the sale of vehicles and is across from the Food Court. ATMs are available for cash withdrawals and a notary is available for title work.

## Kids 12 & Under

Kids 12 and under get free admission to all of our events and a free goody bag too! Kids can also sign up for the cash grab contest and to win a radio-controlled vehicle. Visit Guest Services.

## Valve Cover Races

Watch the competition between race cars made from air-cooled Volkswagen Type 1, 2, 3 & 4 engine valve covers. No propulsion systems - gravity pulls the racers through the track.

## Brew Mixer

On Saturday several local breweries are joining us across from the food court. Stop by and enjoy some live music while you try their unique brews.

## Carlisle Elite Judging

Our staff will choose ten vehicles from the Showfield on Friday to receive Carlisle Elite awards. To be eligible, all you need to do is be on the Showfield. Winners are presented with their awards as they are selected.

## Vehicle Judging

To have your vehicle judged, you must be registered as Judged Showfield. Judging times are listed by class above. If you want to change from non-judged to judged, go to the Registration Building, additional fee \$25.

## Winners List & Awards

Winners of the Judged Showfield and Club Challenge will be posted on the Winners' List outside of Guest Services/ Grandstand at 6:30 PM. After checking the list, winners can pick up their award in Guest Services. If you can't be here to pick up your award you can make shipping arrangements online at [store.carlisleevents.com](http://store.carlisleevents.com).

# Track & Driving Activities

**All vehicles that participate in any driving activity must have a showfield sticker, drivers must provide a valid license, and proof of insurance.**

## AUTOCROSS & DRIFTING

Watch as drivers navigate their vehicles while testing their skills around the track - or try it yourself. Register at the NICOclub Paddock on the hill, fee \$40, unlimited runs (not a competition); rules and regulations available online or at the registration tent.

## DRIFT LIMBO

Drifting your car between two cones is a pretty big challenge, especially when the space between them gets smaller each time around. Check it out or give it a try! Register at the NICOclub Paddock on the hill, no fee, rules and regulations available online, or at the registration tent.

## BURNOUT/DONUT CONTEST

Doing a burnout or a donut is just plain fun no matter what it does to your tires. Come watch or join in the fun! Register at Guest Services, no fee, limited to 10 contestants.

## LOW CAR LIMBO

Cars are driven under the limbo bar until only one can make it without knocking it over or spinning their tires. Register at Guest Services, no fee.

## ROLLING EXHAUST CONTEST

There's no better way to hear a tuned exhaust than in motion. Awards to the three best-sounding vehicles. Does yours measure up? Register at Guest Services, no fee, limited to 20 contestants per qualifying round (must qualify to be in the grand finale).

# *Celebrating 50 Years of Carlisle Events at Carlisle Import & Performance Nationals 2024*

The first Carlisle Import Auto Festival & Food Fair was introduced in 1986 (May 15-18) as "an automotive United Nations of exotic, historic, economy and commercial vehicles held in an atmosphere of international food and festivities". Kit cars and replicars were invited to join in 1992 and with that came a name change to Carlisle Import/Kit-Replicar Nationals. Custom compacts ("foreign and domestic, chopped, dropped, slammed and tweaked") were added in 1996 and became a show within a show with its own name in 1997, Custom Compact Power Jam. That genre exploded and was a huge stand-alone event from 2001 to 2003 with a name change to the Carlisle Custom Compact Nationals in 2002. Then in 2004, it multiplied and became two events in two locations (Harrisburg, PA and Norwalk, OH). In 2005, it was called Modified Madness and was held in State College, PA. Carlisle welcomed the event back in 2006 as Carlisle Performance & Style. In 2010, the original import event was renamed Carlisle Import & Kit Nationals. The two events were held separately through 2015, and in 2016 they rejoined as a united show under the current name of Carlisle Import & Performance Nationals.

## About Carlisle Import & Performance Nationals

- For the first three years, show cars were judged by participant choice on Saturday with those winners being judged on Sunday to determine the grand prize winner who received 500 silver dollars in a trophy bowl.
- Brad Nauss has attended every Import show with the same Citroën since 1986.
- Clubs quickly started holding their meets during the event and many still do.
- Drag racing took place at the South Mountain Dragway Friday night of the event from 1986 through 1994.
- Changes in 1989 included giving goody bags and dash plaques to the first 300 show cars, a beauty contest, and volleyball.
- Irv Gordon brought his One Million Miles Volvo in 1990; returning in 2007 with 2.5 million; and in 2021 it was here with 3.26 million miles.
- In 1992, an organized scenic cruise, remote control competition, free expert seminars, and drive-in style movie were introduced.
